

## LGBTQ+

# College Education Fair Resource Guide

**As an LGBTQ+ student, it's important to ask questions about your unique concerns and needs throughout your college search. To get you started, here are some questions you may consider asking representatives of the colleges/universities that you are considering:**

- Does your university host campus events throughout the year to celebrate LGBTQ pride (such as Lavender Graduation, LGBTQ History Month, National Coming Out Day, etc.)?
- Does your university have an LGBTQ Resource Center, or other support services for LGBTQ+ students on campus?
- What LGBTQ+ student clubs/organizations does your college offer?
- Are there gender-inclusive housing options available on campus?
- Are there gender neutral bathrooms available on campus?
- What is your university's policy on pronouns/name changes?
- Can pronouns/chosen names be included on student IDs?
- Does your college offer any majors, minors, certificate programs or other programs related to LGBTQ studies (e.g. queer theory, women and gender studies, feminism, etc.)
- What gender markers are required on university paperwork (such as admissions forms and FAFSA) and are these inclusive of various gender identities?
